About the Project

inclusion+

This prototype was developed as part of the ‘Inclusion+: Tackling the challenges of Erasmus+ mobility inclusion and diversity at higher education level’ project. Inclusion+ addresses the issue of inclusion and diversity in Erasmus+ at higher education level.

Funded by the European Union >

Ahmet Y.
The ramp was very easy to use, and the staff were very attentive.
Jade S.
The elevator was working, and the interior was spacious and comfortable.
John L.
The accessible parking spot was right at the entrance. Made the whole visit so much easier.

Question & Answers

Maria G. 12.04.2026 - 09:45

Hi! Does the university library have step-free access and accessible study desks for wheelchair users?

Responses

Jamie L. 12.04.2026 - 19:09

- Yes, the main entrance of the university library is step-free.
- There are also height-adjustable study desks available on the ground floor, specifically designed for wheelchair users.

Chris P. 12.04.2026 - 19:09

I use a wheelchair and study there regularly.

- The ground floor is fully accessible, and I've found a few desks that work well for me.
- Upper floors are accessible by elevator, but it can get crowded during peak hours.

Taylor R. 12.04.2026 - 19:09

- Yes, there is step-free access, and the staff are generally helpful.
